**Bebauungsplan in Heidelberg Handschuhsheim  
„Feuerwehrgerätehaus an der Berliner Straße“  
HSB-Schreiben vom 27.01.2005**

Sehr geehrte Damen und Herren,

nach Rücksprache mit der Technischen Aufsichtsbehörde in Stuttgart bitten wir o.g. Schreiben um folgenden Zusatz zu ergänzen:

„Die regelmäßige Mitbenutzung des Bahnkörpers durch Einsatzfahrzeuge wird unter verschiedenen Aspekten kritisch beurteilt. Neben den beschriebenen baulichen Voraussetzungen bleiben wichtige kritische rechtliche und betriebliche Aspekte für die Erschließung des Grundstückes zu klären. Daher bitten wir das Verkehrserschließungskonzept mit uns im Detail abzustimmen.“

Mit freundlichen Grüßen
